ABOUT GRIFFE

Excellence in Sanitary Solutions

Welcome to Griffe Sanitary & Beyond — your trusted partner for premium bathroom and sanitary solutions. As a leading manufacturer in the industry, Griffe specializes in creating elegant, durable, and innovative sanitary products that combine functionality with sophisticated design.

Our Product Range

We take pride in our comprehensive collection of high-quality sanitary ware and accessories:

- **Showers and Shower Systems - From rainfall showerheads to complete hydrotherapy systems**
- **Faucets and Mixers - Precision-engineered with water-saving technology**
- **Bathroom Accessories and Fittings - Complementary pieces that enhance both form and function**

Quality Assurance and Certifications

At Griffe, quality is paramount. Our manufacturing processes adhere to the most rigorous international standards:

- **ISO 9001:2015 - Certified quality management system ensuring consistent product excellence**
- **ISO 14001:2015 - Environmental management standards for sustainable manufacturing**
- **CE Marking - Compliance with European health, safety, and environmental protection standards**
- **EN 14411 - Adherence to the Harmonized European Sanitaryware Standard for ceramic products**
- **Water Efficiency Labeling - Products designed for optimal water conservation**

Our facilities undergo regular audits and testing to maintain these certifications, guaranteeing that every product leaving our factory meets the highest standards of quality, safety, and performance.

Global Presence

Griffe delivers reliable and competitive solutions to customers across Europe, Russia, the Middle East, and Africa. Our international distribution network ensures timely delivery and excellent service worldwide.

Our Vision

At Griffe, we aim to be the global leader in sanitary ware manufacturing by delivering continuous innovation and offering high-quality products that meet the evolving needs of global markets. We strive to build a sustainable future through modern designs and advanced manufacturing techniques that ensure the best solutions for our customers.

Commitment to Sustainability

We believe in responsible manufacturing. Our production processes are designed to minimize environmental impact while maximizing resource efficiency. From water-saving product designs to eco-friendly packaging, sustainability is integrated into every aspect of our business.
